

Now your destination is just minutes away

Pawan Hans introduces the first ever Helicopter Service that cuts time like never before.

Just think of all the places you wanted to visit. But either the distance or the inaccessibility of the place got in the way.

Now all you need to do is to charter a helicopter and you'll be there - pronto! For these helicopters are versatile and are open to a variety of applications. Meeting head-on, the challenge of instant mobility.

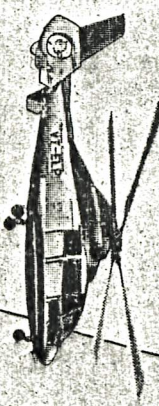

Vistas of limitless choice

Whether for purposes as diverse as making aerial surveys, supplying relief, carrying sling loads or photographing in otherwise inaccessible regions - all you do is to charter a helicopter from Pawan Hans.

For State Governments - the timely solution

For State Govts, when time is short and the journey necessary. When nature has been a little unkind and let loose calamities and aerial surveys have to be made and relief supplied. Just call up Pawan Hans.

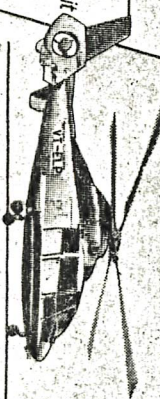

Just remember the possibilities offered are limitless. Charter them by the day or by the hour. Pawan Hans will also help you in planning an itinerary to suit your convenience. Take advantage of this unique service. For, we believe one must be able to go easily, quickly and comfortably wherever one wants to.

Pilgrim's Progress

Your mother always cherished a desire to visit Mata Vaishnodevi but you worried about her health. Now, let her come to Jammu and Pawan Hans' soon to be introduced service will take her to the holy cave easily and comfortably.

Tourist Charter

Whether you are a hardened traveller or an easy going tourist, Pawan Hans can take you places. Be it the splendid Corbett Park or the magnificent Bharatpur Bird Sanctuary - you'll be glad Pawan Hans took you there.

Unique Air Taxi Service

And shortly, we will introduce the Air Taxi Service. Hopping from point to point from airports to city centres or wherever necessary.

Pawan Hans has at your disposal a fleet comprising Westland helicopters with 17 seats each and Dauphin helicopters with 11 seats each. And these take on the challenge of making people and places closer than ever before. Offering vistas of choice for the kind of journey, trip, surveys you wish to make.

Top of the line Corporate Transportation

When you are high on the corporate ladder and you have an important delegation to take to a difficult terrain, there's nothing easier than flying there in comfort. For top of the line executive transportation and for charters in exclusive style, just call up Pawan Hans.
